

June, 2018

St. Paul Lutheran School  
School Year 2018-19  
Effective Date: June 3, 2005

## **Athletic Eligibility Policy**

Effective June 3, 2005, for the 2018-2019 academic year, the following academic requirements must be met in order for a student to participate in any athletic event. Athletic events are defined as practices and/or games.

All students who wish to participate in an athletic event must maintain a 2.0 grade point average, with no 'F' grades in the core subjects. Students will be evaluated on a weekly basis. Any student who does not meet the grade point requirements will be ineligible for any game and/or practice for the following week. A student will be considered eligible if the grade point requirement is met at the time the next report is issued by the teacher(s). Teachers will issue eligibility reports in a timely fashion; dates for submission will be determined by the Athletic Director and the teacher(s) for any student in question. A student must also meet the grade point requirements to be eligible for any athletic try-outs.

In addition to the grade point average requirement, students must also turn in work on a regular basis in order to be eligible for any athletic event. The following guidelines will be followed in terms of submission of assignments:

- Regardless of grade point, a student with three total missing assignments in all subjects in a quarter will be ineligible for one week.
- An additional missed assignment will result in another one-week suspension from practice and/or games.
- A third ineligibility for missing assignments in a quarter will disqualify that student from the team for the remainder of that sport's season.
- Students who finish the year with missing assignments will be ineligible the following year until the assignments are turned in.
- These requirements are in addition to the school's late homework policy.

Special circumstances may be considered in allowing eligibility for a student who does not meet grade point requirements. Factors such as effort and ability may be weighed when determining eligibility at the discretion of the principal, athletic director, and/or teacher. Final determination of eligibility will be made by the principal and athletic director, under the supervision of the Board of Christian Education.

I have read the policy and agree to adhere to its requirements. I acknowledge receipt of this policy as indicated by my signature below.
