

# Life Together in Christ: Lutheran Schools Week Mar. 6-13

Lutheran Schools Week provides nearly 2,300 LCMS preschools, elementary schools and high schools with the public opportunity to proclaim and celebrate God's work among Lutheran schools. We are grateful for our opportunities to share Jesus' amazing love with children and their families. Our schools are amazing incubators for faithful witness of God's love for us through Christ by teachers and students alike. St. Paul Lutheran School, Millington, will be celebrating with many opportunities to share God's love with our students, congregation and community. Please join us and share in our celebrations of what God has richly blessed us with.
