School Theme Verse

Dear St. Paul Parent,

Thank you for being a part of our St. Paul family.

Preparation for the 2019-20 school year has begun. We are excited and eager to have your child(ren) enrolled in our school. Many wonderful educational opportunities will continue to be offered by excellent classroom teachers providing instruction and care for your child(ren).

Education is a partnering of parent and school. By sending your child(ren) to St. Paul you have made a decision that is going to impact your child(ren) for the rest of their lives. You may be assured that your child(ren) will experience the love of our Savior daily in formal class settings and also in the interactions among students and teachers. You may also be assured that the Christian values you have instilled in your child will be reinforced at St. Paul. Together, we can nurture your child(ren) in God's ways.

You will once again be able to elect the payment option that best fits your financial preference on the registration form. To avoid late fees, it is important to follow the payment option you have chosen. If there are special circumstances, please contact Erin Schmandt, our Board of Education Chairperson. Also, your support of the church and the mission of St. Paul Lutheran School by your tithes and offerings is making all of this Christ filled atmosphere happen.

The Board of Education has enacted a referral program in the hope of encouraging enrollment at St. Paul. If a current school family refers a non-enrolled student who registers and pays the non-refundable registration fee the referrer will receive a \$100 credit on their tuition.

For your convenience, registration forms may be found online ([www.stpaul-millington.org](http://www.stpaul-millington.org)) or at the school office. After completion of the forms please bring them to the school office during office hours. Beginning June 11<sup>th</sup>, summer office hours will be Tuesday, Wednesday and Thursday 8am-4pm. Contact the office if you need an evening appointment.

Your prayers, your volunteerism, and your financial provision allow us to provide a quality, Christ centered education. Never hesitate to contact the school office, Mr. Schoenknecht, or the Board of Education if you have any questions or concerns.

Committed to Christ,
