

St. Paul Lutheran School Meal Charging Policy 2017-2018

St. Paul Lutheran School ensures that the students of the school are given the opportunity to purchase a hot meal that meets USDA requirements, daily. The cost of these meals, for students and adults, are published and available on the school website. If any student charges a meal, the school office makes a parent notification via telephone or text. Reimbursement for these charges can be made at the school office at anytime during the school day or at the kitchen first thing in the morning. Students will not be denied food due to the nonpayment of the charges.
