Would you consider opening your hearts to families who want their children to receive a St. Paul Christian education, but perhaps cannot afford the rising costs? The **"Grantparent" Program** is designed to ease the financial burden for struggling parents, but it is in need of ongoing funds. If you are able to help financially to continue St. Paul's long-standing heritage of supporting this important mission to our families, please prayerfully follow God's "nudging" by contacting the school office. You may donate for general tuition funding or to a specific student. Thank-you in advance for blessing our children with your prayers and support.

If there are any changes to your cell phone number and/or your cell phone provider, please contact the school office. You should have received 2 messages on Tuesday from fast direct. If you did not receive them contact the school office.

RETAKES

Retake day TBA. Flyers will be coming home showing you all the packets and alternatives available to you.

NOTICE AS REQUIRED BY AHERA

In January of 2017, we had St. Paul Lutheran Church and School reinspected for asbestos hazard by Digus Consultant Company. They are Environmental Protection Agency accredited and Michigan Department of Public Health licensed as inspectors and management planners. This reinspection was performed in compliance with AHERA-Asbestos Hazard Emergency Response Act. Although we do have some asbestos in our building, some response actions and periodic surveillance will help control possible hazard to our congregation, students, staff, parents or guardians, custodians, part-time workers, or contractors. This reinspection report will be included in the management plan and is available for your inspection by appointment only with Bill Weber, the Asbestos Program Manager for our church and school. Reinspection of these materials at St. Paul Lutheran Church and School, Millington, shall be conducted at least once every three years. Annual notification shall be issued and updated information shall be made available.

St. Paul Lutheran School is committed to engaging students with a comprehensive education grounded in God's Word to prepare them for a life in Christ.

With the upcoming weather changes please make sure the younger grades (PS-1st grade) have a change of clothes in their backpack. We no longer have any extras in the storage closet. Snow pants, boots etc. are required to play in the snow.

Last year you were encouraged to log in to accept this gift from us - at no cost to you. If you don't receive it, check your email filter. To get started using Right Now Media, there are many movies, bible studies etc. for you to view during Christmas break.

We could use a few cases of water, if you happen to be out and about and would like to donate some. Please bring them to the school office.
