By God's grace, a mouth makeover can improve our relationships and affect our attitude toward life. God desires that we use the gift of speech to give Him praise, encourage others, and verbalize our faith in Christ as Lord and Savior. ### *A Good Cause for Little Paws*

Pet Angel is a no-kill cat rescue in Frankenmuth, MI, that greatly relies on volunteers and people who are willing to donate money and needed supplies. If you are unable to provide a home for one of the needy cats from the shelter and you wish to make a difference in the lives of these cats, this is your opportunity. On a table in the school hallway near the office is stationed an informative board about this fundraiser and a red box filled with cut out paper cats and paw prints. Written on each of these cut-outs is a single item – such as cat food, dish soap, a cat toy, etc. If you wish to donate to the shelter, simply take one of the paper cut-outs and then purchase the item written on your cat or paw-print. Make sure that if you take a cut-out, you buy the specific brand that is written because Pet angel uses specific supplies and cat foods. A collection basket for the donations will also be set out near the table. The final date to bring in your donations will be January 31<sup>st</sup>. If you wish to give monetary denotations. A jar for such donations is situated on the table. This is a service project being organized and implemented by Madeline Bach, a high school senior and volunteer at the shelter. If you have questions, feel free to talk to Madeline. You can reach her at 989-550-2558.

They are Environmental Protection Agency accredited and Michigan Department of Public Health licensed as inspectors and management planners. This reinspection was performed in compliance with AHERA-Asbestos Hazard Emergency Response Act. Although we do have some asbestos in our building, some response actions and periodic surveillance will help control possible hazard to our congregation, students, staff, parents or guardians, custodians, part-time workers, or contractors. This reinspection report will be included in the management plan and is available for your inspection by appointment only with Bill Weber, the Asbestos Program Manager for our church and school. Reinspection of these materials at St. Paul Lutheran Church and School, Millington, shall be conducted at least once every three years. Annual notification shall be issued and updated information shall be made available.
