**ShopRite and Simons both carry this brand. For every 500 labels we collect we receive \$25.00.**

**\*\*\*\*BOX TOPS\*\*\*\***

Help us gain valuable school supplies **Box Tops online.**

Send in your **can tabs** and they go to the American Legion who then donate them to help with medical supplies and services for children.

**Kroger Program** just use your Kroger 83361 Plus cards-they must be registered for St. Paul to receive credit, call the school office for more information.

**From time to time,** situations arise in our lives causing a financial crisis. Loss of job, divorce/marital separation, and medical situations are a few of those times when we may not know how we are going to pay the bills. Some of our school families are dealing with these and similar situations and are in need of Christian compassion, assistances and encouragement. St. Paul **Student Aid Fund** has been set up to help families meet their financial obligation for tuition/fees. Donations to this fund are greatly appreciated and needed. If God has gifted you to be a blessing to these families, contributions may be brought to the church or school office. Much thanks!

Check with your child to see if your church envelopes were sent home with them.

Last year you were encouraged to log in to accept this gift from us - at no cost to you. If you don't receive it, check your email filter. To get started using Right Now Media, there are many movies, bible studies etc. for you to view during Christmas break.

Retake day TBA. Flyers will be coming home showing you all the packets and alternatives available to you.

#### **NOTICE AS REQUIRED BY AHERA**

In January of 2017, we had St. Paul Lutheran Church and School reinspected for asbestos hazard by Digus Consultant Company. They are Environmental Protection Agency accredited and Michigan Department of Public Health licensed as inspectors and management planners. This reinspection was performed in compliance with AHERA-Asbestos Hazard Emergency Response Act. Although we do have some asbestos in our building, some response actions and periodic surveillance will help control possible hazard to our congregation, students, staff, parents or guardians, custodians, part-time workers, or contractors. This reinspection report will be included in the management plan and is available for your inspection by appointment only with Bill Weber, the Asbestos Program Manager for our church and school. Reinspection of these materials at St. Paul Lutheran Church and School, Millington, shall be conducted at least once every three years. Annual notification shall be issued and updated information shall be made available.

*St. Paul Lutheran School is committed to engaging students with a comprehensive education grounded in God's Word to prepare them for a life in Christ.*

With the upcoming weather changes please make sure the younger grades (PS-1<sup>st</sup> grade) have a change of clothes in their backpack. We no longer have any extras in the storage closet. Snow pants, boots etc. are required to play in the snow.
