Would you consider opening your hearts to families who want their children to receive a St. Paul Christian education, but perhaps cannot afford the rising costs? The **"Grantparent" Program** is designed to ease the financial burden for struggling parents, but it is in need of ongoing funds. If you are able to help financially to continue St. Paul's long-standing heritage of supporting this important mission to our families, please prayerfully follow God's "nudging" by contacting the school office. You may donate for general tuition funding or to a specific student. Thank-you in advance for blessing our children with your prayers and support.
