

# Calling all children of God!

One of the best ways to nurture your faith is by reading the Word of God. This year, we encourage you to read the Bible together with your family. Each month, we will be focusing on a person of the Bible, rather than a specific book. Information about that person may be found in one book of the Bible, or scattered throughout several. A reading list can be found below. If you have young children, we encourage you to use a children's Bible so that your children can learn about the person in a way they will understand.

Once you've studied about the person of the month in whatever format works for your family, you can fill out a form. Forms can be found in the narthex, library, and both offices. These forms will be hung on the wall outside of the library. We look forward to seeing the wall get covered as the year goes on!
